

Subscribe to Agents Support “Branded Newsletter” System

Email your customers a weekly newsletter offering the latest travel products and services.
It's the easiest & most cost effective way to keep in touch!
Your clients will keep your agency in mind as you tempt them with the latest travel deals!

How it Works

Agents Support Systems can design a professional, corporate email newsletter for you to send to your clients every week!

We do all the hard work, leaving you time to do what you do best – run your business!

We source and add all products featured in the newsletter

We send you a colour HTML newsletter every Tuesday

Simply forward this newsletter to your database of clients

Travel products include domestic & international cruises, package holidays, fares and car rental deals.

Inclusions:

- We add over 30 new special deals each week
- Each product has an enquiry/booking form sent to you via email
- Clients can search for products by type, destination or company
- Each edition has 2 special feature stories; Featured Hotel, Tour, Cruise or Destination
- Clients can view database of past newsletters
- Newsletters can be added as a link onto your website

- Build brand awareness for your agency
- Enjoy customer loyalty
- Increase profit from repeat business
- Benefit from referrals
